Western NC House of Hope is a Christ-centered, interdenominational, not-for-profit organization. We are committed to providing affordable, Christ-centered counseling to teens (12 to 17) who are struggling with anger, rebellion, abuse, divorce, depression, or any other controlling factor in their lives. House of Hope also works with the families of our teens. We know that when someone in our family is struggling it effects the entire family. It is our desire at House of Hope that all may experience the hope and love of Jesus Christ.
